Bowl/vase, plus slips of paper and pens, for names to be written on

Basket or tote if you're doing a \$5 item prize drawing.

WHAT TO DO:

4 weeks before:

Choose a theme.

Set a price limit and decide how many items each guest will bring.

Do you want an extra prize drawing with \$5 items?

Pick the date and send the invitations.

Purchase party supplies.

Optional: Order tote bags for the guests (see blog post for details).

Optional: purchase a gift basket or tote for the \$5 prize drawing.

Day of the party: Make your charcuterie board or dessert.

When guests arrive, have them write their name down on slips of paper (once for each item brought). If you're doing a \$5 prize basket, too, have them also write their name down for that if they brought an item (keep these separate).

Voila! It's that simple! Enjoy your favorite things gift exchange and have fun with your friends!
